OXO BIODEGRADABLE SINGLET BAG

Oxo-biodegradable plastic is made by blending a pro-degradant additive into the plastic during the extrusion process. The additive causes the molecular structure of plastic to break down when exposed to heat or sunlight. The plastic will eventually be in a state where it can be digested by microorganisms.

Name	Size	Color	Packing	Quantity

A collection of various cleaning accessories is displayed against a white background. On the left, there are several white plastic bottles of cleaning solution with red and blue caps. In the center, a stack of colorful sponges (blue, green, yellow, orange) is visible, along with a pair of pink rubber gloves. To the right, there is a red dustpan with a black handle, a red brush, and a blue brush. A yellow-handled brush is also visible in the foreground. The items are arranged in a way that suggests a variety of cleaning products and tools available for purchase.

FLOOR MAT

NORMAL DUTY COIL MAT

Normal Duty Coil Mat is made with nonwoven continuous vinyl filaments fused with an all-vinyl backing. The mat provides a comfortable walking surface as well as collects dirt, stopping dirt from being tracked into a building.

HEAVY DUTY COIL MAT

The product is an unbacked, non-woven, open and porous floor matting made from continuous vinyl filaments bonded together. The matting is motor oil resistant and suitable for heavy-duty foot traffic in dry or wet areas. It also serves to scrape off and collect dirt which helps prevent dirt from being tracked into a building.

Option Available

Size: 2' x 3', 3' x 5' (Custom made size available)

Color: Blue, Green, Red, Brown, Grey, Black

NEEDLE RIB MAT

The high fashion look of fine carpeting in a hi-lo rib pattern with outstanding durability in the toughest indoor or outdoor installations, scraping dirt and grit off shoes and removes moisture at the same time.

Option Available

Size: 2' x 3', 3' x 5' (Custom made size available)

Color: Blue, Green, Red, Brown, Grey, Black

LAUNDRY MAT

Classic Solutions features a slip-resistant rubber backing and a solution-dyed carpet surface designed to stop dust, dirt, and moisture at your door and provide a safe walking surface for all who enter.

Option Available

Size: 2' x 3', 3' x 5' (Custom made size available)

Color: Blue/Black, Red Repper, Brown/Black, Slate Grey

SERVICE BAR MAT

Bar Mats are necessary to keep people and drinks from slipping and sliding. Molded rubber bar mats help provide traction on wet floors by allowing the liquids to flow through the mat's surface, thus allowing the walking surface to dry more quickly.

Size: 31cm x 45cm
Color: Black

SAFE WALK MAT

Black Comfort Mate mats are grease-resistant, designed with large holes for maximum drainage and comes with ramp borders for a smooth transition from mat to the floor.

Option Available
Size: 3' x 5' (Standard Size)
Color: Black
